

ORANGE JUICE MACHINE

MODEL 106-OJ

INCREASE SALES AND PROFITS WITH FRESH SQUEEZED CITRUS JUICE

This completely automatic juice extractor...

- Handles a wide range of orange sizes.
- Is simple to operate and maintain.
- Is designed to allow the operator easy access to the machine's interior for fast cleaning.
- Satisfies the customer demand for convenient access to fresh nutritious juice.
- Is designed so that the customer has a close-up view of the squeezing process, verifying the juice is 100% natural.

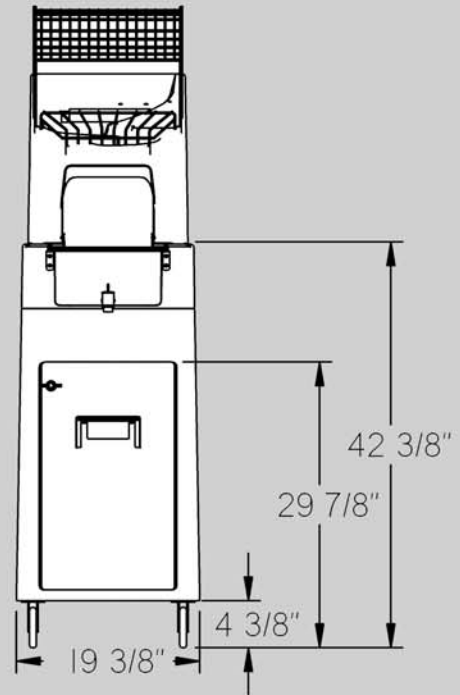

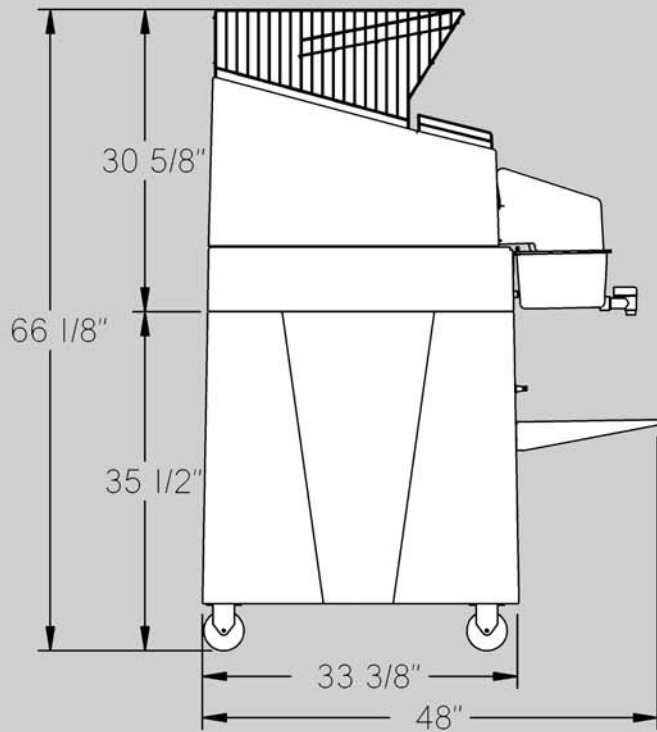

When placed in store the machine attracts customers to watch the juicing operation. It answers the consumer demand for easy convenience to natural and fresh.

Juice Tree has 30 years experience and 15,000 machines in operation. The company's worldwide sales and service network offers trained distributors and service agents to ensure that outstanding service is part of every sale.

**"See it squeezed,
Know it's fresh!"**
